- 9:00 am      **Update on the NIH BRAIN Initiative**  
*Walter Koroshetz, MD, NINDS*
- 9:25 am      **Introduction and Context of Data Issues**  
*Hank Greely, JD, Stanford*
- 9:30 am      **Responsible Data Stewardship: Progress and Challenges**  
*Erin Luetkemeier, PhD, NIH Office of Science Policy*
- 9:50 am      **BRAIN Initiative Data Sharing Infrastructure**  
*Greg Farber PhD, NIMH*
- 10:10 am     **BREAK**
- 10:40 am     **Brain State and Behavior Tracking in Epilepsy**  
*Gregory Worrell, MD, PhD, Mayo Clinic*
- 11:00 am     **The Informatics of Data Sharing**  
*Arthur Toga, PhD, University of Southern California*
- 11:20 am     **Some ELSI Issues with Brain Research Repositories:  
Lessons from Genomics, Precision Medicine, and Other Sources**  
*Mark Rothstein, JD, University of Louisville*
- 11:40am      **Discussion**  
*Moderated by Hank Greely, JD, Stanford*

12:30 pm      **LUNCH**

1:30 pm      **Public Perceptions of Brain Privacy**  
*Nita Farahany, JD, PhD, Duke*

1:50 pm      **Discussion**  
*Moderated by Christine Grady, MSN, PhD, NIH*

2:05 pm      **Roundtable updates**  
*Neuroethics Working Group members*

2:45 pm      **Update on NIH ACD BRAIN Initiative Working Group 2.0**  
*James Eberwine, PhD, University of Pennsylvania*

2:55 pm      **Discussion**  
*Moderated by Christine Grady, MSN, PhD, NIH*

3:05 pm      **BREAK**

CLOSED SESSION

4:30 pm      **ADJOURN**
